

## Roundhay Park picnic, 2024

On July 21st, which coincided with Pride Day in Leeds, we set out for a picnic at Roundhay Park. Due to the Pride celebrations, many buses were cancelled, but the bus drivers gave friendly helpful guidance.

We gathered in the city centre, full of excitement for the day ahead. Once we arrived at Roundhay Park, we first visited the amazing Waterloo Lake, enjoying some chats as we strolled along its scenic path. After this peaceful walk, we headed to the picnic spot, where our lovely volunteers from Conversation Club Leeds (CCL) had arranged a fantastic picnic with a variety of beverages, fruits, cheese, pizzas and more. We enjoyed the delicious food while catching up with each other.

Then there were games including cricket, badminton and football. Laughter and friendly competition added to the enjoyment. In the afternoon, we took a break from the games to draw and relax. The highlight of the day was a beautiful concert by Kippax Band in Canal Gardens. We sat together, listening to the music and soaking in the peaceful atmosphere.

It was a perfect ending to a wonderful day, filled with great conversations and memorable moments.
